Ballet – Theatrical dance in which a formal academic technique is combined with music, poetry, costume, and scenery. Ballet is a highly disciplined stage art, based on a centuries-old tradition of movement. It is also the foundation of many other forms of dance, such as Hip Hop and Jazz. Ballet is a disciplined form of dance that instills poise, grace, body carriage and flexibility. This class concentrates on AGE-APPROPRIATE techniques taught at the ballet barre, center floor, jumps and turns.

If a student misses classes (for whatever reason), that class is lost **UNLESS** another class is available, matching age, level, and or style. Each situation is unique and will be handled as such.

Our program follows Prince William County Schools (PWCS) winter weather closures. There are instances where it will not be followed. Closures are announced via email and text. Cancelled classes due to the weather will be rescheduled (either with another class or during Break Week).

OPEN CLASS

Our classes are open to parents and family members. I believe parents should be aware of what their dancer(s) is/are learning, allowing for practicing at home.

However, if a family member is deemed a distraction to the student and/or class, that family member will be kindly asked to leave.
